GIN SELECTION

✦ Choose your preference of gin from our selection ✦

Copenhagen Distillery Orange Gin *(Denmark)*

125,-

The taste is a rich and complex interplay between fresh orange flavor, a depth and warmth from cardamom and allspice and the classic and precise notes of juniper that hit the tongue with precision.

A bold citrus kick and warm spices. The aroma is light, with a touch of both sweet and bitter orange peel in beautiful symbiosis with the warm spices, and a hint of extra sweetness from prunes as a rounding off.

Le Tribute Gin *(Spain)*

135,-

A world-class Spanish gin with beautiful notes of lemongrass and citrus. One of the best and most beautiful gins on the market. Le Tribute is produced at the Spanish distillery MG Destilerias, located in Vilanova i la Geltrú, just 50 km from Barcelona.

Presented is a luxury gin produced over seven distillates, where the different types of ingredients are added one at a time. The first six distillates contain, among other things: juniper, lime, kumquat, lemon, grapefruit, bell pepper, mandarin, cardamom, sweet and bitter orange and lemons. In the last distillate, lemongrass is added.

Jinzu Gin *(Scotland / Japan)*

120,-

The gin is made from neutral alcohol and distilled with a wide range of botanicals, of which the stunning Japanese cherry blossom plays a central role in the aromas.

The distilled gin is then mixed with a hint of the Japanese rice wine sake, which helps to give a significantly different undertone of sweetness and creamy fullness than you normally expect to find in a gin. Flavor notes such as citrus, yuzu fruit and juniper are prominent in the otherwise fine and delicate gin taste.

GIN SELECTION

✦ Choose your preference of gin from our selection ✦

Four Pillars Olive Leaf Gin *(Australia)*

145,-

To produce this multi-award winning botanical gin from Australian Four Pillars, no less than three different cold-pressed olive oils, as well as world-class olive oil tea, have been used.

The gin is five years in the making, and has a truly extraordinary taste and aroma. With this gin, Four Pillars has created something that is clearly, yet modern, Australian in expression, and the slightly atypical scent and taste of olives plays formidable together with the classic gin spices.

Malfy Gin Originale *(Italy)*

125,-

This Italian gin classic is the result of more than 100 years of experience in alcohol production. The Vergnano family has been producing spirits since 1906, and Malfy is at the absolute top of the food chain, in the traditional family production.

Malfy Gin Originale is made with fresh, tart Sicilian lemons, local juniper berries and MonVisa mountain water from Crissolo in northeastern Italy.

Plateau Gin Handmade Small Batch *(Denmark / Sweden)*

130,-

Made on a base of Swedish winter barley, harvested in the dark forests of northern Sweden and the clearest Swedish spring water from the coldest mountain peaks in the high north.

The flavor composition is a beautiful symbiosis between the classic gin notes such as cloves and juniper and the more innovative and courageous ones such as licorice root, dragon fruit and coffee. The gin has a thoroughly excellent aroma profile, and especially the scent of roasted coffee is an unbeatable new acquaintance to make when it comes to gin.

WHISKEY / WHISKY SELECTION (SINGLE & DOUBLE)

Makers Mark Bourbon *(Kentucky, USA)*

65 / 95,-

Maker's Mark bourbon is an American whiskey made from 70% corn, 16% wheat and 14% malted barley. The wheat is said to provide more sweetness than rye, which usually gives bourbon more spicy notes.

Maker's Mark is aged for approximately 6-7 years in American white oak barrels, then filtered and bottled at 45% alcohol before being dipped in the iconic red wax

Aroma: Sweet oak, vanilla, toast, butter, bright fruit and wheat prevail in the nose.

Taste: Sweet with balance of oak, vanilla, fruity essences and a touch of cinnamon.

Lagavulin Fireside Tales *(Islay, Scotland)*

160 / 250,-

Lagavulin Special Release 2024 Single Malt Scotch Whisky is bottled at natural cask strength, usually known as a smoky whisky, but Lagavulin Fireside Tales is a 12-year-old whisky that captures the flavorful character of the distillery. At 57.4% ABV, this whisky is a powerful, smoky version of Lagavulin with delicious notes of campfire smoke and sweetness from the Bourbon cask.

Aroma: Drying in feel, and quite gentle. Fresh, clean phenols rise to the fore at once with aromas of a smouldering bonfire.

Tast: Smoothly creamy and really mouth-filling in texture, very sweet to taste at first then quickly drying with a sprinkling of salt and a controlled smokiness. Finish is long, finally a powerfully smoky and drying, with a twist of warming spice that also lingers in the aftertaste.
